

## SHL the professional choice

### Ornamental Grade Bark

SHL Bark is a natural product, specially formulated from Pine Bark with no added nutrients and is comprised of decorative bark chips that measure between 12mm and 20mm. It is used to protect plants and suppress weeds. It also makes public areas safer and more attractive.

Apply SHL Ornamental Grade Bark in a layer of 5cm (2") on a weed-free surface. It insulates the soil during the colder months, promotes soil warm up for seeding and retains moisture during the summer months.

UAP Product Code SHLB 3

Ornamental bark has many benefits:

- Improves aeration and drainage
- Stimulates root initiation
- Encourages vigorous growth
- Protects plants
- Retains moisture
- Insulates
- Suppresses weeds
