

Store Chemicals Safely and Legally

Designed to fully meet the relevant requirements of The Food & Environment Protection Act 1985 and the Control of Pesticides Regulations 1986. The Chemsafe storage units from Horstine Farmery are the ideal containers for storing chemical, paint, tools or components safely and securely. Their bases have been designed specifically for use with a fork-lift and the convenient sizes mean that they can be loaded on to a trailer or pick-up-truck.
