

Ground Cover

Mypex is the original polypropylene ground cover and remains the leader in quality and performance. Its woven construction combines outstanding weed suppression with excellent water permeability and it is instantly recognisable by its distinct green & white striped pattern.

Primary features include:

- UV resistance – 5 year guarantee
- Provides improved positioning of pots and plants
- Easy to maintain and clean - reusable over many seasons
- Water permeability maintains subsoil moisture levels without puddling
- Puncture and tear resistance. Can handle pedestrian and light traffic.
- Increases crop yields by up to 14%
- Unbeatable weed suppression without spraying

Material: Woven polypropylene

Weight: 105g/m²

Permeability: 15ltr/m²/sec

UV stabilisation: 5 years

Roll Sizes

1m x 100m **CODE: MYPEX1**

3m x 100m **CODE: MYPEX3**

5m x 50m **CODE: MYPEX5**

2m x 100m **CODE: MYPEX2**

4m x 50m **CODE: MYPEX4**

Bespoke sizes are also available on request.
